

**Predbežné výsledky prijímacích pohovorov do 1.ročníka
Súkromného gymnázia, Česká 10 v Bratislave pre šk.rok 2025/26
konaných 23.3. a 30.3.2026**

ÚSPEŠNÍ UCHÁDZAČI - úspešní uchádzači splnili podmienky prijímacieho konania (získali aspoň 40% bodov z každej časti talentovej prijímacej skúšky). Ich výsledky sú zoradené podľa počtu bodov, ktoré získali spolu. V budúcom školskom roku plánujeme prijať najlepších 90 uchádzačov.

Dôležité upozornenie !

Tieto predbežné výsledky nezohľadňujú výsledky talentových skúšok uchádzačov na iných stredných školách, ani výsledky netaľentových prijímačiek, ktoré prebehnú na školách až v mesiaci máj a nezohľadňujú ani prioritu škôl, ktorú vyznačili rodičia žiakov v prihláškach. Predbežné výsledky škola poskytne do centrálného štátneho automatu na MŠVVaM, ktorý určí definitívne poradie a rozhodne o konečnej podobe zoznamov s prijatými a neprijatými uchádzačmi. Tieto konečné výsledky budú zverejnené na elektronickej výveske systému eprhlasky.iedu.sk najneskôr 1.júna 2026. Až následne bude môcť škola vydávať rozhodnutia o prijatí, či neprijatí žiaka a neúspešní uchádzači budú môcť do 5 dní od zverejnenia oficiálnych výsledkov na elektronickej výveske podať odvolanie.
